National Recognition for Leisure Hotels

Leisure Hotels Ranked 64th in Top Independent, Third-Party Management Companies

(LEAWOOD, KS) -- With a rapidly increasing number of national rankings and recognitions under his belt, Steve Olson, President and CEO of Leisure Hotels, proudly announced that the company has been recognized in HOTEL BUSINESS' 10th ANNIVERSARY GREEN BOOK issue for 2008. This listing recognizes Leisure Hotels as number 64 among Independent, Third-Party Management Companies across America.

The HOTEL BUSINESS listing features the Top Management Companies specifically recognizing companies that manage hotels for other owners. The Leisure ranking reflects a 9.2 million dollar increase in revenue from 2005 to December 31, 2006, as well as an increase in the number of properties and rooms managed.

Olson commented, "We got our start in the late 80's working with distressed assets and we've found with the changing market that many owners and developers need this management again. We have repositioned our regional teams and now have offices in Minneapolis, Branson, and Tulsa in addition to our home offices in Kansas City. We are always proud to see the growth reflected in national rankings and expect to continue climbing those lists."
